Dear Members, Colleagues, Friends and Associates:

The Women’s Chamber of Commerce is dedicated to supporting the economic empowerment and advancement of all women in the marketplace. We are the leading voice and champion for women-owned businesses, individual businesswomen and women professionals in all fields and disciplines. The Women’s Chamber celebrates the vibrancy and breadth of women in business, the professions, in leadership roles, and women at work in both the private and public sectors. **The most visible of these celebrations is our annual March Women’s History Month Celebration - the Giraffe Awards Luncheon.**

Sponsorship of the Giraffe Awards is a great way to express your support for the Women’s Chamber programs that connect women entrepreneurs with peers, promote the participation of women on boards and in C-suites, foster mentoring of mid-and-junior career women, and bring relevant affordable programs and technical assistance to foster opportunities for our area’s growing number of women at work.

Sponsorship is also a great, and cost-effective, way to promote your own business or endeavor. You don’t want to miss this opportunity to connect with prestigious event attendees, Giraffe Award nominees, WCC members and associates. Your sponsorship and/or participation in the EXPO helps bring needed resources to support meaningful programming, business advocacy and training for women at all stages of their working lives.

We urge you to act today, as sponsorship opportunities are purposely limited to ensure the greatest impact to you and your business. Thank you for your support of the Women’s Chamber of Commerce and Women’s History Month. We look forward to speaking with you!
